Total benefits for dismemberment or total loss of use cannot exceed one hundred percent (100%) of the benefit for dismemberment or total loss of use shown in the Schedule of Benefits.

Any dismemberment or loss of use that already exists on the date the Policy is issued will not be considered a loss covered under this benefit.

The total benefit payable by the Insurer to the Insured cannot be greater than three hundred thousand dollars (\$300,000) for dismemberment or total loss of use resulting from an Accident. If the amount of insurance held by an Insured is greater than three hundred thousand dollars (\$300,000) for dismemberment or total loss of use resulting from an Accident, regardless of the number of coverages in effect with Humania Insurance Inc., the Insurer will pay only a single benefit equal to that entitling the Insured to the highest amount. Premiums received for dismemberment or loss of use coverage for which no benefit is paid will be reimbursed to the Policyowner.

4. Termination of Coverage

This coverage terminates on the earliest of the following dates:

- The Policy termination date specified in the General Provisions of this Policy;
- The Policy anniversary date following the Insured's seventieth (70th) birthday.

5. General Provisions

The definitions, limitations and exclusions of this coverage apply in addition to those indicated in the General Provisions. The General Provisions of the *Policy* govern this coverage when they are relevant to and compatible with its terms.

Part B

20-Year Premium Refund Benefit

1. Benefits

Under this coverage, the Insurer will refund the percentage of Refundable Premiums for the Refund Period shown in the Schedule of Benefits of the 20-Year Premium Refund Benefit, provided the Insured is still alive at the date of entitlement to the refund. This refund will be made to the Policyowner within sixty (60) days following the refund entitlement period.

LIMITATIONS

The refund applies to coverages issued prior to attainment of age forty-six (46) and to coverages that have not been cancelled at the Policyowner's request.

If, following payment of a premium refund, a benefit is payable for the previous refund entitlement period, any amount paid by the Insurer under this coverage must be reimbursed beforehand.

No benefit will be payable by the Insurer following failure to return the premium refund.

EXCLUSIONS

The 20-year Premium Refund excludes waived premiums paid by the Insurer.

2. Definitions

Refund Period

The period of twenty (20) consecutive years of coverage beginning at the effective date of each coverage, during which no benefit has been paid or would have been payable under the coverages of this Policy. If the Insurer pays a benefit of any kind, a new Refund Period begins to elapse at the date on which the next premium is payable following the date of the last benefit payment, provided the Insured is under age 46.

Premiums Paid

Premiums paid by or on behalf of the Policyowner to the Insurer, for each coverage under the Policy where the benefit amount has not been reduced by more than twenty-five percent (25%) at the Policyowner's request.

If the benefit amount has been reduced by more than twenty-five percent (25%) at the Policyowner's request, the resulting premium will be considered the premium paid from the start date of the Refund Period.

Refundable Premiums

The total Premiums Paid to the Insurer, since the beginning of the Refund Period, for each coverage in force at the beginning of the Refund Period.

3. Termination of Coverage

This coverage terminates at the earliest of the following dates:

- The date on which the shortest *Waiting Period* under the *Policy* is changed to more than ninety (90) days;
- The *Policy* termination date specified in the General Provisions of this *Policy*;
- The *Policy* anniversary date following the *Insured's* sixty-fifth (65th) birthday.

4. General Provisions

The definitions, limitations and exclusions of this coverage apply in addition to those indicated in the General Provisions. The General Provisions of the *Policy* govern this coverage when they are relevant to and compatible with its terms.

Part C

General Provisions

1. Contract

This Policy is issued by Humania Assurance Inc., an incorporated life insurance company, hereinafter called the "Insurer", based on the application for insurance, a copy of which is attached, as well as on any document subsequently submitted to reinstate or change the Policy. No representative is authorized to change this Policy or to render null any of its provisions.

Any change to the Policy or its riders must be signed by an officer of the Insurer.

2. Effective Date

This Policy takes effect on the date the Insurer approves the application, provided the application is approved without change, the first premium has been paid, and no change has occurred in the insurability and/or the state of health of the Insured's since the application was signed.

3. Disability Benefit

When the Insured suffers a Disability covered under this Policy, the Insurer will pay the monthly Eligible Benefit. Payments begin when the Waiting Period has elapsed and will continue for the Maximum Benefit Period, subject to the limitations, exclusions and General Provisions of the Policy and its coverages.

ONSET OF DISABILITY

For the purposes of this Policy, a Disability begins on the date of the first medical consultation related to the Disability after the onset of that Disability.

DISABILITY ADJUSTMENT

Where necessary, the monthly benefit payable will be adjusted to a daily rate based on one-thirtieth (1/30) of the monthly benefit for each day of Disability.

The Disability benefits are established based on the Insured's actual earned income at the start of the Disability, up to the maximum insured amount shown in the Schedule of Benefits. It is important for the Policyowner to periodically make sure that the income reported on the application is accurate and to notify the Insurer of any decrease in income.

If the amount of the benefit paid by the Insurer is less than the insured benefit, the Insurer will not refund any excess premium.

COORDINATION

If the benefits payable under this Policy and any income replacement insurance from a company or a private, public or parapublic organization total more than ninety percent (90%) of the Insured's Average Monthly Earned Income, the Disability benefits payable will then be reduced so that the total of all benefits does not exceed such ninety percent (90%).

Where lump-sum or retroactive payments are made to the Insured, the Insured will be required to reimburse the Insurer any amounts that would not have been payable by the Insurer on account of the Coordination of Benefits.

If the Insured fails or refuses to exercise his or her rights under an insurance plan through any company or private, public or parapublic organization, the Insurer will assess the amount of benefits to which the Insured would have been entitled and reserves the right to reduce the monthly benefits payable to the Insured accordingly.

RECURRENT DISABILITY

All recurrent Disabilities due to the same or a related cause are considered to be the continuation of one and the same Disability. The Waiting Period does not begin to elapse anew and benefit payments are added to past payments in determining the Maximum Benefit Period specified in the Schedule of Benefits, subject to the Multiple Causes of Disability clause.

If the Insured becomes disabled again after being able to engage in Employment and without having received disability benefits under this contract for a period of at least six (6) consecutive months, the Disability will be considered a new Disability, even if it is due to the same or a related cause. The Waiting Period and the Maximum Benefit Period specified in the Schedule of Benefits will apply again.

For an Insured who has been unemployed for more than ninety (90) days at the onset of Disability, if the Insured becomes disabled again after being able to perform all his or her Activities of Daily Living and without having received disability benefits under this contract for a period of at least six (6) consecutive months, the Disability will be considered a new Disability, even if it is due to the same or a related cause. The Waiting Period and the Maximum Benefit Period specified in the Schedule of Benefits will apply again.

REHABILITATION

When the Insured receives a Disability benefit under this Policy, the Insurer may pay the cost of services related to a rehabilitation program, provided such services are not already covered by another program or service and the Insurer approves the program in writing prior to the Insured's participation therein.

DEATH BENEFIT

If the Insured dies while in receipt of Disability benefits, the Insurer will pay the Beneficiary a lump sum equal to five (5) times the monthly benefit amount that was being paid at the time of death, up to a maximum of ten thousand dollars (\$10,000).

MULTIPLE CAUSES OF DISABILITY

If another Accident or Sickness occurs during the benefit period, no additional benefit will be payable under this Policy for the other Accident or Sickness.

If, at the end of the Maximum Benefit Period, the Total Disability continues and the Insured has not recovered from his or her first Disability and another Accident or Sickness occurs, no benefit will be payable under this Policy for the other Accident or Sickness.

4. Premiums

This Policy has a level premium up to the Policy anniversary date following the Insured's sixty-fifth (65th) birthday. The level premium rate is based on the Insured's Risk Class on the date the coverage is issued.

On the Policy anniversary date following the Insured's sixty-fifth (65th) birthday, the premium will be adjusted according to the rates established by the Insurer at the time of the change in coverage. The only other possible increases are adjustments to reflect experience.

ADJUSTMENTS TO REFLECT EXPERIENCE

Once the Policy has been in effect for five years, the Insurer may change the premium for each guarantee based on the experience of contracts with similar features.

METHOD OF PAYMENT

The premium is payable annually or monthly by pre-authorized debit, as selected by the Policyowner. A premium paid by pre-authorized debit is only considered paid if the payment is honoured.

A grace period of thirty (30) days is granted for payment of each premium. If the premium is unpaid after the grace period, the Policy will terminate.

Provided the Insured is not disabled, the Policyowner may change the method of payment by giving fifteen (15) days prior notice.

The Insurer will deduct outstanding premiums from any amount payable.

5. Waiver of Premium

While the Insured is eligible to receive benefits as a result of a Disability, the Insurer will waive the payment of premiums according to the method of payment in effect at the onset of Disability.

Waiver of premiums will end on the date the Insured is no longer eligible to receive Disability benefits.

6. Exclusions

NO BENEFIT WILL BE PAYABLE FOR DISABILITY THAT RESULTS DIRECTLY OR INDIRECTLY FROM:

- Attempted suicide or intentionally self-inflicted Injury or dismemberment, whether the Insured is sane or insane;
- Participation by the Insured in the perpetration or attempted perpetration of an assault or criminal offence, or driving a motor vehicle including a boat while under the influence of narcotics or while his or her blood alcohol concentration exceeds the legal limit;
- Alcohol abuse, or the use of hallucinogens, drugs or narcotics;
- Service, whether or not as a combatant, with armed forces engaged in surveillance, training, peacekeeping, insurrection, war (whether or not declared) or any related act, or participation by the Insured in a popular uprising;
- Injuries sustained during air travel, unless the Insured is a passenger on an aircraft used by a common carrier;
- Cosmetic surgery or a surgical procedure not required by the Insured's health condition, and any complication resulting therefrom;
- Experimental treatments and treatments involving the use of new procedures or therapies that are not yet in mainstream use;
- Training for or participation in professional sports or motor vehicle speed contests;
- An Injury obtained during the practice of any high-risk activity, including, but not limited to: bungee jumping, freestyle skiing or snowboarding, heliskiing or heliboarding, ski jumping, sky diving, hang gliding, sky surfing, street luge, skeleton, mountain or rock climbing with or without ropes, and participation in rodeos or ultimate fighting competitions;
- Pregnancy, childbirth or miscarriage, and any resulting condition, except in the case of a pathological complication;
- Refusal by the Insured of any treatment or medication deemed necessary for his or her condition, or refusal to submit to a medical examination required by his or her condition;
- Refusal by the Insured to submit to a rehabilitation program recommended by the attending Physician or to actively participate in a rehabilitation program previously approved by the Insured and the Insurer;
- Organ donation(s), except where the donation is made after the coverage has been in force for at least six (6) months.

NO DISABILITY BENEFIT WILL BE PAYABLE FOR:

- Any period during which the Insured is receiving a salary, except as part of a Partial Disability and/or rehabilitation plan approved by the Insurer;
- Any period during which the Insured is incarcerated in a penitentiary or a government detention facility.

No death benefit will be payable if the Insured commits suicide within two (2) years of the effective date or reinstatement of coverage, whether he or she is sane or insane.

7. Age

For the purposes of this Policy, the Insured's age is the attained age at his or her last birthday preceding the issuance of coverage.

8. Termination of Policy and Coverages

THIS POLICY TERMINATES ON THE EARLIEST OF:

- The date a written request to this effect is received from the Policyowner or the date specified in the request if later than the date of receipt;
- The date on which the Income Insurance is cancelled;
- The date on which the grace period for premium payment expires;
- The Policy anniversary date following the Insured's one hundredth (100th) birthday; or
- The date on which the Insured dies.

9. Incontestability

Apart for fraud, the Insurer cannot cancel or reduce a coverage that has been in force or reinstated for more than two (2) years because of misrepresentation or concealment with respect to risk. However, this rule does not apply if the Disability began within the first two (2) years of the effective date of the coverage or its reinstatement.

10. Reinstatement

If this Policy terminates because the premium was not paid, it may be reinstated within ninety (90) days of the date of termination provided the Policyowner requests that it be reinstated, establishes the Insured's insurability and/or the state of health of the Insurer's satisfaction and pays any outstanding premiums. The periods related to incontestability and suicide apply again as of the date of the last reinstatement.

11. Change of Beneficiary

Subject to legal provisions, the Policyowner may at any time designate, change or revoke a Beneficiary. For a change of Beneficiary to be recognized, the Insurer must receive written notice of the change. The Insurer bears no responsibility with respect to the validity of a Beneficiary designation.

12. Assignment

Subject to legal provisions, the Policyowner may at any time assign his or her Policy. For an assignment to be recognized, the Insurer must receive written notice of the assignment. The Insurer bears no responsibility with respect to the validity of an assignment.

13. Notice and proof of claim

All claims must be made in writing and submitted to the Insurer within thirty (30) days of the date of the Disability, Critical Illness or death giving rise to a claim under this Policy.

The Policyowner or any person entitled to submit a claim must provide the Insurer with all the documents it may require within ninety (90) days of the date of the Disability, Critical Illness or death giving rise to a claim.

Where the Policyowner or any person entitled to make a claim demonstrates that it was impossible for them to act in a timely manner, it will not prevent them from receiving the benefit, provided that the information is submitted to the Insurer within one year of the date of the Disability, Critical Illness or death giving rise to a claim under this Policy.

The Insurer reserves the right to require that the Insured undergo any examination(s) it may consider necessary by a Physician of its choice. Refusal to do so will deprive the person of the right to receive benefits. In the event of the Insured's death, the Insurer may, if permitted under applicable law, require an autopsy and any failure to satisfy that request will give the Insurer grounds to refuse payment of the benefit.

The Insured, the Policyowner and the Beneficiary are required to cooperate fully with the Insurer by providing all the information it may require and by signing any form or other document allowing the Insurer to obtain any information it deems relevant, within no more than ninety (90) days.

The Policyowner must notify the Insurer of any change of address for the purpose of facilitating correspondence and the transmission of any document.

14. Payment under the Policy

Disability and Critical Illness benefits are payable to the Insured.

Death benefits are payable to the Beneficiary designated in the application or in any other document subsequently submitted to the Insurer.

15. Reimbursement

No cheque in reimbursement of premiums will be issued for amounts of less than twenty dollars (\$20).

16. Legal Currency

Any payment under the provisions of this Policy will be made in the legal currency of Canada.

17. Right to Cancel

The Policyowner may have this Policy cancelled within fifteen (15) days of the date of its receipt or within sixty (60) days after the Policy start date. When a written and signed by the Policyowner cancellation request is received by the Insurer within these periods, any premium collected under the Policy will be reimbursed to the Policyowner.

18. Compliance with the Law

Any provision of the Policy that, at the effective date, does not comply with applicable legislation in the province where the Policy was issued will be amended so as to meet the minimum requirements of that legislation.

19. General Provisions

The exclusions, limitations and General Provisions apply to the Policy as well as to all coverages when they are relevant.

Some coverages contain exclusions and limitations specific to those coverages. These exclusions and limitations apply in addition to those indicated in the General Provisions.
